## PLEASE REMEMBER:

- To make arrangements for a priest from the parish to be brought home to lead the funeral prayers.
- To choose a lector, preferably a youth or adult who can effectively proclaim the reading at the funeral mass.
- To contact the cantor/choir and ensure that the hymns chosen for the funeral are congregational.
- Special Prayers of the Faithful are not to be prepared for the funeral mass, since the prescribed ones are prayed at the service.
- One brief eulogy (tribute) only if necessary is prepared, preferably written and shown to the celebrant before Mass. This includes the thank you and announcement of the Month's Mind.
