

## **CANTOR'S PRAYER**

Most Holy Trinity

I thank you for the ability to sing

and I offer it back to You,

by using it to glorify Your name.

I dedicate each melody and rhythm to You.

May the words on my lips proceed from a heart,

filled with pure love and devotion.

May the song I sing be a heartfelt prayer,

for me and all who hear it.

Help me avoid all forms of showmanship or entertainment.

Let my focus be on you alone,

And not on myself, nor the people, or the place.

May the singing enrich our liturgical worship,

directing all hearts and minds heavenward.

May our voices join the celestial choir of Angels

Who endlessly sing your praise and glory. Amen.

- DLC, Bandra.
