

PRAYER AT THE LOSS OF A LOVED ONE

Lord Jesus, love incarnate, I thank you for taking human form to understand and feel with us the depth of human struggles, joy, pain, and love. Thank you for the victory you won for us through your death and resurrection.

Thank you for the immortality, the eternal life that belongs to us now. Even as I shed tears of pain of physical separation of... (Name). I can strangely feel deep peace and sweet joy amidst my tears, knowing that my loved one has gone back to the eternal home.

You will receive... (Name) with love, peace and mercy, for that is what you are. Thank you, for the human family and the universe that have received, loved and nurtured the precious life of ... (Name) to its completion. Thank you for the memories ... (Name) has left behind to be cherished. Help me return to you with joy, what was always yours. Amen.
