Lift up the light of your face on us, O Lord.

I called, the God of justice gave me answer;
Know that the Lord works wonders for his faith - ful one;
"What can bring us happiness?" ma - ny say,
In peace I will lie down and fall a - sleep;

from anguish you released me, have mercy and hear me!
the Lord will hear me whenever I call him.
Lift up the light of your face on us, O Lord! Lord!
for you alone, O Lord, make me dwell in safety.
