

CHRISTMAS DAY

Birth of our Lord Jesus Christ

(Light all the four candles and add the white candle representing Christ)

We light the **Christ Candle**, symbol of divine light breaking into our world. The long wait is over—Christ our Light is born among us!

SCRIPTURE READING: John 1:1–5, 14– *(Optional)*

REFLECT:

In the darkness of our world, a Child is born—a Savior who brings hope, peace, joy, and love made visible. Christmas invites us not only to celebrate but to live as witnesses of this Light that no darkness can overcome. Will I let Christ's light shine through my life every day?

ACTION PLAN:

- Share Christmas joy with someone in need or alone.
- Let gratitude and generosity guide your celebrations.
- Carry the light of Christ into the new year through daily acts of faith and love.

LET US PRAY:

Lord Jesus, Light of the world, on this holy day we rejoice in your birth. You are God's greatest gift to us—hope fulfilled, peace restored, joy renewed, and love made flesh. May your light shine in our hearts and through our lives, now and forever. **Amen.**
